connect with
the sacred

Sacred Transformation begins
with knowing how to recognize
Reality in its myriad of forms.

A new reality unfolds when one opens to
understanding the Infinite nature of God
and the True Self. One sees the difference
between God's World and Man's World.
One learns to change paradigms.

*"This world is a dream and only a sleeper
considers it real." Rumi*

The world we live in both reveals God and keeps us from
the true realities of God. We must learn to view our world
in a new way.

We will begin to uncover how the world we know and the
world of God are hidden from one another. We can learn
to understand how this happens.

You can learn how to live consciously with happiness
and joy by your increasing awareness
of both worlds...

*"I don't know where I am. God scooped me
up from nowhere and placed me in this
somewhere over the rainbow." Frannie Rose*

Join Frannie Rose and Nancy Hoffman for a Saturday
retreat/workshop to bring deeper consciousness to your
Sacred Transformation.

Begin to feel new beauty and peace within you. Learn
to observe the world you live in and the infinite nature
of a new world waiting for you.
